The image shows the sign-in form for the Font Awesome website. It features a "Sign In" header and a subtext "and let's get you to the Awesome!". There are fields for "Email Address" (containing "e.g. tchalla@wakanda.gov") and "Password". Below the password field is a "Remember me" checkbox and a "Forgot your password?" link. At the bottom is a large blue "Sign In" button with a right-pointing arrow.

A screenshot of the Fontawesome '2990393c33' kit page. At the top, there's a navigation bar with a back arrow, a flag icon, and the kit name '2990393c33'. There's also a 'Free Icons' button. Below the navigation is a menu with 'How to Use' (selected), 'Settings', and 'Uploaded Icons'. A large numbered step '1' is labeled 'Add Your Kit's Code to a Project'. Below this, a code snippet is shown: 

```
<script src="https://kit.fontawesome.com/2990393c33.js" crossorigin="anonymous"></script>
```
